AGREEMENT PUTS MINES TO WORK

The 50,000 miners in Western Pennsylvania will return to work at once, perhaps today. This announcement yesterday by President Francis Feehan in the final day's session on Pittsburgh district No. 5, United Mine Workers, was the only ray of sunshine to penetrate Labor Temple.

The international referendum of the Cleveland, O. committee settlement, has been approved by 80 per cent of the voters, Feehan announced Notifications have been sent to the various locals to have the men return to work. In many mines activities will have begun by this evening.

Never probably, in the history of the Monongahela valley district, delegates say, have affairs been in such chaos. Many delegates say their local unions will cease paying per capita tax to the distrct organization and the district officials until some action is taken. Such action, they say, might leave the organization penniless. They also question Feehan's right to serve as president pending adjustment of the district referendum election of officiers, which was referred to the national body. They expect that President White, realizing that the district may be disrupted, will act immediately, as strenuous protests have been filed against Feehan's actions. After his adjourning the convention, a majority of the miners delegates re-organized and voted to go to work, also framed an appeal to International President John P. White asking him to come to Pittsbourg at once and take charge of the affairs of the district.

Prof. Daniel Chooses Committee

Prof. I. T. Daniels, director of the Monessen Presbyterian church choir, at a meeting of the Charleroi Choral club of which he is also director, appointed a committee to work in conjunction with the S. S. convention. This convention is to be held in June and will be the largest ever held in the valley. Excellent music will be one of the convention features.

Notice to Choir Members

The members of the choir of the Christian church are earnestly requested to be at rehearsal this Thursday evening, as some special work is on hand.

A "WHO IS WHO" SLIGHT CORRECTION

For the benefit of the many contestants in the Who is Who contest, we state that the correct list of business firms will appear in their space in the Daily Independent on Wednesday April 24th instead of the 17th as was stated yesterday. And remember all replies must be received at this office not later than 4 o'clock p. m., Tuesday April 23d. So it behooves all interested to get busy and get your replies in early. Answers are coming in rapidly today. In fact the "Who is Who Editor" has been almost swamped with answers. So great was the rush that he had to call an assistant to his aid to help keep a correct list and tabulation on the voters as they are brought in. Everybody and their aunts and uncles are working on the solutions and working hard. Young and old are taking deep interest and when it is over the business places advertised therein will be more talked about and brought before the public notice more prominently than they have ever been. So look up a Wednesday's Daily Independent if you have forgotten it, and get down to good, hard intelligent thinking, and solve the mysteries. It's pleasant work, it is interesting and it leads along the line of education as to really "Who is Who" among Monessen business houses.

INSURANCE PEOPLE ARE VERY HARD HIT

As a result of the disaster to the steam ship Titanic, accident insurance companies in this country and England will lose approximately $2,000,000.

The loss, it was explained, will be doubled by reason of the so-called "double liability clause," which requires insurance companies to pay twice the amount of the death benefits where the policy holder losses life while traveling on a public conveyance "propelled by steam or electricity."

Insurane men are interested by the discovery that on board the Titanic there was only one man who is on the "big list" of insured. He was George D. Wick of Youngstown, O., and his name is not amon those of the known survivors. Mr. Wick is rated as carrying about $250,000.

John Jacob Astor, according to the insurance men, has been conspicuous among men who do not carry life insurance, and the same is true of Benjamin Guggenheim and Isidor Straus.

All the companies have their experts estimating the aggregate liabilities in case most of the first and second cabin passengers actually are lost.

Girl's Pluck Saves Life Of a Pupil

The heroism of Miss Mary Smith, a pretty teacher in a mountain school in Chestnut Ridge, back of Derry, in this county probably saved the lives of some of her puplis and prevented the destruction of fire of her little one room school house on Tuesday afternoon. Two of her pupils were burned. Carl Eckman, aged 8, son of Charles Eckman of Chestnut Ridge, about the face and body, and William Kautz, aged 12, about the face and hands in rescuing his schoolmate.

A brush fire which had assumed menacing proportions was creeping toward the Ridge school building when Miss Smith discovered it. She immediately dismissed her boys to fight the flames and save the little one-story frame structure.

The boys were making a gallant fight against the fire, when little Carl Eckman, overcome by smoke, fell into the flames. William Kautz, who was near, dragged out Eckman, whose clothing was afire, and carried him to safety, but not before he also as severely burned.

Miss Smith pluckily stood with her pupils and directed the youthful fire fighters and soon the flames were extinguished.

YOUNG COCKERELS CROW BEFORE BEING FEATHERED

James Tustin, Sr., of Dutchtown, is as proud of a lot of young chickens that are already crowing as he would be had he gone out into the garden to pull from a vine the season's first ripe tomato. Mr. Tustin set a hen on St. Patricks day and the little peeps hatched out right on time, Easter Sunday, and just seven days thereafter, the little cockerels, with their wing and tail feathers just sprouting, sat up and took notice and crowed as justly and earnestly as "Mr. Boss" of the funny page in the Pittsburgh Sunday Press.

Commissioners Count Ballots

The county commissioners at Greensburg began at noon yesterday to count the entire vote of the 183 election precincts of this, Westmoreland county, while they had the vote of the five parties which were listed at this election, they found that the heaviest vote which was polled was for the Republican and Democrat candidates. The vote of the Socialist party was third with the vote of the Prohibition party following. There was scarcely a shadow of the Keystone party visible in the vote.

Family Jars Shaken Out In the Courts

Frank L. Hartman formerly of Monessen but now of Monongahela has brought suit against his wife Ollie Craven Hartman and the testimony before Commissioner Homer T. Gaut was somewhat of a damaging character and if true shows that Mrs. Hartman was anything but a fond and loving companion. The parties have evidently had rough house ever since they were made one on New Years day 1896 and Mr. Hartman has uphill sledding and after being banged around for several years he decided to slide out from under the wedded roof and recuperate. Hartman testified that his married life was all turmoil. He says that his wife made his life a nightmare. He says that her language was not of the choicest and loud and abusive at all times. He says his wife would go away for weeks at a time and leave him at home to take care of their boy and do the cooking. He testified that his wife beat him, would strike him with clubs and choke him. He says he never lifted a hand to strike back. She would hurl dishes and had a revolver hidden under the refrigerator which he believed she was going to use in killing him as she had threatened several times to do so. He testified that he had to leave her for life was burdensome.

A number of witnesses testified that the woman possessed a bad temper and that she made it hot for her husband and ran him out of the house many times. If the testimony figures at all the degree will likely be granted.

Pictures of Titanic Disaster

At the Olympic Theatre is to be seen all this week and next pictures showing all important details of the sinking of the great ship Titanic from striking an iceberg Sunday night. All important features will be shown even the landing of the survivors, Capt. Smith, who nobly stuck to his ship and lost his life for the people, and other thrilling scenes. Other high class motion pictures and Friday and Saturday night a big vaudeville bill of the very best class. Don't miss it. Look for advertisement of these great features on fourth page.

PIANO SOLO WAS WON BY MISS JANAVITZ

The committee in charge of the publicity of the Eisteddfod held in the opera house Saturday, by the Cambrian Literary Society, seems to have over-looked a very important feature in their report to this paper, that of the piano solo by Miss Elsie Janavitz, aged 11 years, who won the prize, and beside was tendered words of the most high praise by the Prof. Jones, adjudicator, who gave the child the compliment which she richly deserved as the declared her work to be much above the average of one of her age, and she received many encouraging compliments from others who were present. We are later informed by officials of the Society that this was an unintentional over-sight, and an apology is tendered to Miss Janavitz and her parents, as her work was most highly appreciated by all.

"BERT" CHALFANT IS A NOMINEE FOR ASSEMBLY

Among those victorious at the primaries in Fayette county Saturday was H. A. Chalfant, formerly of Charleroi, and better known to Monessen folk as "Bert." He was a candidate for Assembly on the Republican ticket and won out. It will be remembered that he was a long time solicitor for the Bell Telephone Co., and was in Monessen a great deal, making many friends.

High School Cantata Tonight

Let everybody remember "The Wreck of the Hesperus" at the opera house tonight by the high school students under the instructions of Prof. Robert W. Davies. The rehearsel last night was most gratifying to all. So go tonight and help along with the school library.

At the Star Theatre, beginning tonight will be featured Frank King and Daisy Mason who present the "Baseball Fiends," a real musical comedy—Plenty of girls, plenty of comedy and plenty of dancing. One hour and a half of solid fun and along with the other features and high class pictures this will be an exceptionally strong bill for the last half of the week It

UNPRECEDENTED RUSH AT 5&10 OPENING

The opening of the Monessen 5 and 10 cent store on Donner avenue took place today and the jam was so great that it was difficult to handle the people. All day, from the opening of the doors at 8 o'clock this morning the store was besieged by a crowd of mostly women and children, so great that it was almost an impossibility to make a way through the store and get out after one once got in The jam was clear out on the side walk and into the street until officers had to be called to open up a way to allow street cars and teams to pass. It is reported that in the skirmish among the anxious and excited spectators one large plate glass window was broken and some damage done. Souvenirs and presents were given and the crowd was just about as great as was that of the recent opening of the Woolworth store in their new quarters. The Monessen 5 and 10c store is a new concern and has been opened in the room next to the Meyers clothing store, recently vacated by the Woolworth 5 and 10c store. They seem to have a fine stock and their opening indicates a nice future business.

RELATIVES OF LOST ONES CAN'T RECOVER DAMAGES

Relatives of the many passengers who lost their lives in the wreck of the Titanic will be unable to collect a single dollar in damages, according to Charles W. Greenfield, an admiralty officer. Who is well posted on nautical affairs.

If the White Star Line follows precedent it will settle without legal dispute for the loss of property, but as this was insured, the company will lose nothing on that score.

"There is no law which fixes liability for loss of life on the high seas," said Attorney Greenheld yesterday. "About ten years ago several suits for loss of life on the high seas were filed in the Federal Court here, but they were dismissed because of the lack of a statute fixing liablity."

Some winners in last Saturdays primaries are boastfully claiming a great victory. There is a modest way to accept either victory or defeat and it must be remembered that the unrest deep seated in the minds of the people is not settled by three or four hundred votes either way. There is a bridge yet to cross and no political prognosticator dare advance an opinion as to what the outcome will be a few months hence. The Roosevelt followers are jubilant over the outcome in this state but there is every evidence that it is not so much of a victory for Roosevelt as it is a blow to Penrose and the state machine. People seem dissatisfied with political leaders. They don't want a continuation of the boss but on the other hand they want all matters pertaining to government to be left up to the people without dictation of any kind. All fair minds are satisfied after the people have settled an issue and any other course would be purely selfish.

April first was dog day. Not dog day in the original sense of the word but in as much as the licenses is due and payable at the borough clerk's office. Few dog owners have complied with this law and council expects to take action to enforce the law against dog owners. Last year the community had a big scare as a result of rabid dogs and one life was sacrificed and heavy expense was imposed on other families. This led to the passage of a stringent law which not only confiscates unlicensed dogs but which makes it a misdemeanor for an unlicensed dog to appear on the public streets and the offense is punishable by fine and imprisonment. All that is necessary now is to get the officers started and those who care for their dogs will comply with the law. There are many dogs roaming the streets but few of them are licensed and the matter should be pushed to an issue.

People ought to keep sweet under all circumstances. They would live longer, have better health and more friends and be much happier than by nursing a grouch and harboring bitterness in their hearts. Burns puts the idea in this language: "Out upon the tempest of anger, the acrimonious gall of fretful impatience, the solemn frost of lowering resentment, or the corroding poison of withered envy. They eat up the immortal part of a man, and like the traitor Iscariot, betray their lord and master."

When transparent windows were first, invented for houses a big step forward was made for letting in pure sunshine and daylight into theretofore dark dwellings, but the man who first evolved this idea little knew what a benefactor he was to the curious folks who can sit in their windows and keep tab on their neighbors' doings without being seen themselves.

The biggest bore of them all is the person who is just aching to see his name in print, and tells you a long string of stuff about something or other he is connected with, and then winds up with "Don't say anything about it in the paper," expecting the newspaper man to get down on his knees and beg his consent to publish a story concerning it.

If Monessen needs one thing more than another it needs some activity along the line of repairing streets. Many places the streets have been torn but have not been replaced. Work of this kind would help the general appearance of the town.

The nearest a whole lot of folks ever come to starting something is to make a lot of noise about it, get other people excited, and then retire to some out-of-way corner and peacefully steep it off.

Some men will object to paying a $5.00 millinery bill for their wife but a $25.00 "toot" is cheap.

THE TRUE TEST
Tried in Monessen, It Has Stood the Test

The hardest test is the test of time, and Doan's Kidney Pills have stood it well in Monessen-Kidney sufferers can hardly ask for stronger proof than the following:

Mrs. Feightner, 133 Oneida street, Monessen, Pa., says: "I suffered from severe pains in my back and left side and it seemed as if there were no relief for me. I had dizzy spells and my appetite was poor. Seeing Doan's Kidney Pills advertised, I obtained a box, although I had but little hope of their curing me. I am now glad that I took this remedy, however, for it improved my condition in every way." (Statement given Oct. 2, 1907.)

RE-ENDORSEMENT.

When Mrs. Feightner was interviewed on Nov. 9, 1909 she said: "I gladly re-endorse Doan's Kidney Pills. I still think highly of them and advise their use in all cases of kidney trouble."

WEDDING BELLS ARE RINGING

Wednesday at 3:30 p. m., occurred the marriage of Mr. Raymond Lowstuter of Charleroi and Miss Estella Brautegam of Monessen at Cumberland, Md., the ceremony being performed by Rev. Father Wunder. The young folks are both very popular among a large circle of friends, the groom being a son of Mr. and Mrs. Harry Lowstuter of Charleroi, and is employed in the electrical department of the open hearth of the Pittsburgh Steel mill. The bride is one of Monessen's best known young ladies, a daughter of Mr. and Mrs. Adam Brautegam of Donner avenue. The marriage comes as a surprise to their many friends. The couple are expected back the latter part of the week, and the congratulations of a host of friends await them.

Miss Brautegam left in the morning presumably to attend a dance at the Cyclers' Club in McKeesport yesterday evening but later developments showed that an elopement had been cleverly planned.

In Youngstown Ohio, Wednesday morning occurred the marriage of Miss Helen Garwood formerly of Greensburg to Vincent O'Donald of Donora. Miss Marie McKinney of North Maple avenue was Miss Garwood's only attendant, Albert O'Donald brother of the groom, was best man. The ceremony was performed at 6 o'clock Wednesday morning in the Catholic church. A wedding breakfast followed. Miss Garwood is the daughter of Mr. and Mrs. Frank Garwood, formerly of the Hotel Monongahela of this place. A theatre party was given for the bridal party on Tuesday in Pittsburgh, and a second theatre party has been arranged for Wednesday. Mr. and Mrs. O'Donald will leave Wednesday evening for their new home in Donora. It will be remembered that Frank Garwood father of the bride was for a time last summer in charge of the Monongahela House, Monessen, having contemplated the purchase of that hostelry, and while here the Garwoods made many friends.

Mr. Peter Keifer of Monessen and Miss Julia Welsh of West Monessen were united in marriage at 9:30 this Thursday morning at St. Jeromes church, Charleroi, by Rev. Father Fries. The couple proceeded after the ceremony to the home of the groom's mother, Mrs. Matthew Kiefer on Schoonmaker avenue, where a wedding breakfast was served, a large number of friends being present. The groom is employed by the Adams Express Co., in Monesssen, and the bride is a popular young lady of West Monessen, and they have the good wishes of may friends in Monessen, West Monessen and Charleroi.

LOCAL AND PERSONAL

Mrs. A. L. Arner of 208 McKee avenue spent Tuesday in Monongahela, the guest of Mrs. A. H. Todd.

Marriage license was issued in Pittsburgh yesterday to Thomas Harris of Woodlawn and Mildred Thomas of Belle Vernon.

Mr. and Mrs. H. H. Ryde of McKee avenue are in Pittsburgh today to attend the first ball game of the season between the St. Louis and Pittsburgh teams.

Marriage license was issued in Pittsburgh yesterday to Joe Hinkle of Ellwood City and Edna Bushyager of Lock No. 4.

Robert Goodman, aged 18, son of Edward Goodman of West Latrobe, was instantly killed near the mines of the Latrobe Coal Company when he was caught between two cars.

John H. Ulery, of Mt. Pleasant and Pearl Gertrude Werry of Hempfield township, took out a marriage license at Greensburg and married themselves in the office of the clerk of courts..

Miss Florence Sprague, who for a time visited her sister, Mrs. A. H. Todd of Monongahela, and spent a portion of last week a guest with Mrs. A. L. Armer on McKee avenue, returned yesterday to her home at Cassadagg, N. Y.

John L. Wright, aged 75, of Houston, a veteran of the Civil War, and Miss Lillie May Butler of Washington, Pa., aged 24, obtained a marriage license here today. The marriage service was read in the clerk of court's office by the Rev. T. W. Young, himself a Civil War veteran.

The River Coal Co.'s shops, which have been in operation for a number of years in the former Robinson machine plant at West Monongahela, it is stated, will be abandoned by the Pittsburgh Coal company. A removal of the scene of activites of the coal company further up stream is given as the reason for the change. The payroll has been between $2,000 and $3,000.

Prof. S. W. Lyons, principal of the Monessen high school has been elected to the position of the principal ship of the Versailles avenue school at McKeesport and will assume his new duties near the end of the school term.

Among the real estate transfers recorded at Greensburg are to be noted the following: S. K. Long, lot in Monessen to F. J. Braun for $1,500: March 7, 1912. This property is on McKee avenue.

Pretty well authenticated rumor has it that manager Henry B. Harris, of the new Harris vaudeville, but recently opened in Pittsburgh, is among the missing of the last ocean steamer Titanic, and the many friends of this pretty play house, both of Pittsburgh and along this valley are much wrought up over the report, which is hoped to be groundless.

Ten houses owned by the Pittsburgh Coal Company, in Sweet Cake, near West Newton were destroyed by fire Tuesday afternoon. The origin of the fire is a mystery. The section is without fire protection and the bucket brigade which was formed had hard work in checking the spread of the flames.

An ordinance has been introduced in the City Council of Minneapolis to permit women to carry police whistles, so that they may call for assistance when needed. This is not a bad idea if it can be made certain that the women will know where to find the whistles when needed.

Silas Breeze, aged 92 years, is bleeding to death from the nose in Deemston, Washington county. The bleeding began Monday and doctors are unable to check it.

Before Allowing an Operation

Please Read These Two Letters.

The following letter from Mrs. Orville Rock will prove how unwise it is for women to submit to the dangers of a surgical operation when it may be avoided by taking Lydia E. Pinkham's Vegetable Compound. **She was four weeks in the hospital and came home suffering worse than before.** Then after all that suffering Lydia E. Pinkham's Vegetable Compound restored her health.

HERE IS HER OWN STATEMENT.

Paw Paw, Mich.—"Two years ago I suffered very severely with a displacement—I could not be on my feet for a long time. My physician treated me for several months without much relief, and at last sent me to Ann Arbor for an operation. I was there four weeks and came home suffering worse than before. My mother advised me to try Lydia E. Pinkham's Vegetable Compound, and I did. To-day I am well and strong and do all my own housework. I owe my health to Lydia E. Pinkham's Vegetable Compound and advise every woman who is afflicted with any female complaint to try it."—Mrs. ORVILLE ROCK, R. R. No. 5, Paw Paw, Mich.

"THERE NEVER WAS A WORSE CASE."

Rockport, Ind.—"There never was a worse case of women's ills than mine, and I cannot begin to tell you what I suffered. For over two years I was not able to do anything. I was in bed for a month and the doctor said nothing but an operation would cure me. My father suggested Lydia E. Pinkham's Vegetable Compound; so to please him I took it, and I improved wonderfully, so I am able to travel, ride horseback, take long rides and never feel any ill effects from it. I can only ask other suffering women to give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation."—Mrs. MARGARET MEREDITH, R. F. D. No. 3, Rockport, Ind.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the original letter from each did not come to us entirely unsolicited.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself who will not try this famous medicine, made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
